About the Gallery:

With locations in Palm Beach, Manhattan, Los Angeles and most recently Barcelona, Wally Findlay Galleries' 138-year history has naturally reflected the various "schools" of art of each period, from Impressionist during the 1870's to Fauvism in the early 20th Century, through subsequent contemporary movements. Besides specializing in French Impressionist and Post-Impressionist masters, the gallery has developed a group of distinguished contemporary artists worldwide. Wally Findlay Galleries is considered one of the foremost authorities on the French School of Rouen.
